

## Unit 8

## Writing Worksheet

## Writing about a process

## Brainstorm

Complete the sentences with the verbs in the passive. Then, number the process in the correct order.

Milk \_\_\_\_\_ (take) to a dairy plant. ☐

Cows turn grass, grain and water into milk. ☐

Milk \_\_\_\_\_ (sell) in the store. ☐

Cows \_\_\_\_\_ (milk) by machines. ☐

Milk \_\_\_\_\_ (pasteurize) and \_\_\_\_\_ (package). ☐

Milk \_\_\_\_\_ (use) to make yogurt, ice-cream, butter and other products. ☐

## Organize your ideas

Research online about Louis Pasteur and the invention of pasteurization.

Introduction: Choose a title for your article. Write an introduction talking about the importance of Louis Pasteur's invention in 1864. Make your introduction as arresting as possible by using an attention-grabbing opening statement.

Paragraph 1: Talk about how pasteurization kills harmful bacteria that grows in dairy products in your own words.

Paragraph 2: Write about the process of how milk gets from farms to our table.
